

LEAD FOR LUNCH?

NOT IN My Baby's FOOD!

LEAD CONTENT SHOPPING GUIDE

Best Choice

All or most tested products contained **LEAD LEVELS BELOW** California labeling requirements.

AVOID!

All or most tested products contained **LEAD LEVELS ABOVE** California labeling requirements.

Baby food was tested and found to contain lead at levels high enough to require a consumer warning label under California's Proposition 65 Toxics Right to Know law.

Be aware of the danger of lead in baby foods. Keep this shopping guide on hand to be sure you're making the best choices for your baby.
